SIR,

Subject : Sanction for the purchase of cement from Mysore Iron and Steel Works, Bhadravati.

Adverting to Government Order No.L.4249-51/I.T.B.37-54-4 dated 15-7-1954 on the above subject, I write to state that Government have accorded sanction to purchase 200 tons of cement from the Mysore Iron & Steel Works, Bhadravati, for use on urgent works. At present due to large number of housing and other improvement works undertaken by the Board as also due to the construction of labour ~~layout~~ tenements at Kesare, it was felt necessary to obtain an authorisation for supply of 500 tons of cement from the Mysore Iron & Steel Works, Bhadravati. Accordingly, an authorisation for purchase of 500 tons of cement was conveyed in No.C.A.91/54-55 dated 19-7-54 from the Controller of Civil Supplies, Bangalore, for Trust Board works.

It is proposed to draw the above quantity as and when required by this office. I wish to add further, that the limit of sanction for purchase of 200 tons of cement conveyed in the Government Order cited above has already exceeded and the bills of the firm for supply of cement are being returned by the Controller, State Accounts Department, for want of sanction of Government for excess purchase.

I therefore request that the limit of sanction of purchase of 200 tons sanctioned in the Government Order cited above may kindly be enhanced to 500 tons and early orders of Government communicated to this office very early. A copy of the authorisation received from the Controller of Civil Supplies, Bangalore, is appended herewith for kind perusal.

Yours faithfully,
S. Linganna
